

## Mahalo Sailing Covid Protocol 2022

In the interest of safe travel for our groups as well as that of other people with whom we will interact, we require you to agree to, and follow these safety policies for the duration of this trip, regardless of your Covid status.

I, \_\_\_\_\_ agree to adhere to the following:

- I will carry my own disinfectant wipes (not baby wipes) and hand sanitizer and will wipe down the area around my seat, tray, armrests and seatbelts on my plane seat as well as my seat in any vehicle and sanitize my hands after visiting public places.
- I will maintain a safe distance from others when in any airport or other public area.
- I will wear a mask that covers my nose and mouth whenever we are within 6 feet of anyone, including in a vehicle.
- I will wear either my own face shield or the one provided by Mahalo Sailing (for Whale Safari only) when we are in any vehicle, if applicable.
- Choose from the following:
- I have had Covid 19 and will get an antibody test within 2 weeks of our trip.  
\_\_\_\_\_
- I have been vaccinated, completed 2 weeks before our trip. \_\_\_\_\_
- I will have proof of a negative Covid test within 3 days of our trip. \_\_\_\_\_

I understand any testing required will be at my own expense.

If I any have symptoms including loss of taste or smell, fever, fatigue, body aches, congestion, difficulty breathing, or GI disturbance, before or during the trip, I will notify Holly Scott at Mahalo Sailing immediately.

Signed: \_\_\_\_\_

Date: \_\_\_\_\_

Email this form with proof of negative antibody test results or vaccination to [Holly@mahalosailing.com](mailto:Holly@mahalosailing.com) within 7 days of your flight. Negative Covid19 tests should be sent within 24 hours of your flight.
